

Introduction to Business Taxation, Finance Act 2005 (CIMA Professional Handbook)

This book provides all the material you need for the CIMA Business Tax Certificate. Within each chapter you will find some examples for you to try, to test you on the important rules covered in the chapter. At the end of each chapter, there is a short summary which contains a pocket digest of the rules covered within the chapter. These individual summaries form a comprehensive overview of the syllabus. As this manual has been written specifically to cover all areas of the syllabus we are confident you will find this an invaluable tool leading to success in the examination.

- Written specifically to cover all areas of the syllabus
- An invaluable tool for students leading to success in the CIMA examination
- Covers General Tax Principles, Computation of Taxable, Computation of Corporation Tax, Employee Tax Matters and Value Added Tax
