

What Mistletoe Is For (12 Naughty Days of Christmas)

’Tis the season for the return of a lost love! Balancing holiday preparations with her work as a nurse midwife, Casey Jordan-Minter is surprised when tall, lean and irresistible Preston Fuller steps back into her life. They haven’t seen each other in years, during which she was happily married and then tragically widowed. She doesn’t think she needs another man in her life until Preston reclaims every part of her heart that had once belonged to him. But is there really such a thing as love getting a second chance? Is the romanticism of that season to blame or is it working its magic?
