

Deadly Offerings: Book One of the Deadly Series

From USA TODAY bestselling author Alexa Grace, *Deadly Offerings* is a novel with pulsing passion and razor-sharp suspense. It is the first adventure in this sizzling suspense series. Anne Mason thinks she'll be safe living in the Midwest building a wind farm. She may be dead wrong. Someone is dumping bodies in her corn field and telling Anne they are gifts--for her! As the body count rises, Anne realizes a cold-blooded serial killer is patiently waiting and watching her every move. And he won't stop until he ends her life. It is clear there are no limits to this killer's thirst for revenge or how far he will go to get it. After a nasty divorce, Anne Mason does not want to get romantically involved, especially with ex-husband's attorney, Michael Brandt. The ruggedly handsome new County Prosecutor is the last person Anne can trust, but may offer her only chance at survival from a psychopathic killer. But will she survive the passion that rages between them? With thousands of five-star reviews on Amazon and Goodreads, it's time for you to discover the *Deadly Series* books.
