

My journey to Medinah: Describing a pilgrimage to Medinah,

On noting my account of the Mohammedan pilgrimage to Meccah, in my work Six Months in Meccah I promised that, should the reception of it by the public encourage me to do so, I would continue the narrative of my travels in the Hejaz. I am happy to say that the book has been most favorably received, and therefore I now fulfil my promise, by publishing the following account of my pilgrimage to Medinah. I trust that the series of uncommon adventures met with will make up in interest for what the book may lack in information. For the truth of the narrative, I pledge my name and faith, JOHN F. KEANE (Hajj Mohammed Ams). (Typographical errors above are due to OCR software and do not occur in the book.)
