

The Heaven Factor: Chronicles of Life, Death, & Beyond

Heaven: What grand and glorious images this word evokes. And well it should, for in spiritual terms it depicts the very residence of Almighty God, a place of eternal rest, consummate joy and everlasting peace. This is Biblical reality and Gods beautiful flower of Omega truth. However, is our traditional view of heaven correct? Do the saints of God gain access to this heavenly paradise immediately upon death? Is this belief truly Biblical? And since our world is in irreparable chaos and careening toward cataclysmic end, would we not be wise to contemplate these further questions: Is Christianity and the church in peril? What is the Biblical tribulation period? How severe will it be, and who must endure it? When will the rapture/first resurrection occur? Is there a Biblical timeline for Christs return? What is the last trump of God? What is the Millennium? Will this present earth exist forever? Is the New Jerusalem merely symbolic or substantive reality? What is The Kingdom of God? And what is the KEY to Gods kingdom? The Heaven Factor: Chronicles of Life, Death & Beyond dares answering these and many other questions todays theological elite tend to ignore or, at best, glaze over with vapid generalizations. Gods Holy Scriptures are all prevailing and descriptive of content throughout. The Heaven Factor is a unique and enlightening journey through Gods Holy Word.
