

Iced Romance

Kennedy Carter has the perfect life. It includes an engagement to an NHL celebrity all-star, a Vera Wang wedding dress, and more money than she could ever spend. But when Kennedy learns that her fiancé Todd is cheating on her, she's ready to leave the glamour and glitz behind. She escapes to Orlando, Florida with a plan to rebuild her life while staying hidden from a country obsessed with celebrity scandals. The real world however, is tougher than she expected. Suddenly Kennedy has to deal with cockroaches, creepy alarm salesmen, and waiting tables... along with David, a gorgeous new love interest. But what happens when the past refuses to stay hidden? When the truth of her background catches up to her, Kennedy must finally decide who she is, what she wants and where she really belongs.
