

ILLUSIONS BY DESIGN: A boys odyssey via-Divine Power? (memoirs)

Spiritualism unfurled: I was born in early 1938. Sometime in the winter of 1943-45.as WW 2 raged on when I awaken to see a woman but, had no clue of her identity. The woman would turn out to become my mother. Also, I had no knowledge of anything or anyone prior to my awakening. Now I know that all my normal senses were at the will and whim of Divine Power. Everything would continue in 1946 even as mom and me board a ship to America at the end of the World War 2. (Complete memoirs thou no doubt unbelievable) .
