

Ballad of the Whiskey Robber: A True Story of Bank Heists, Ice Hockey, Transylvanian Pelt Smuggling, Moonlighting Detectives, and Broken Hearts

DESCRIPTION: Elmore Leonard meets Franz Kafka in the wild, improbably true story of the legendary outlaw of Budapest. Attila Ambrus was a gentleman thief, a sort of Cary Grant--if only Grant came from Transylvania, was a terrible professional hockey goalkeeper, and preferred women in leopard-skin hot pants. During the 1990s, while playing for the biggest hockey team in Budapest, Ambrus took up bank robbery to make ends meet. Arrayed against him was perhaps the most incompetent team of crime investigators the Eastern Bloc had ever seen: a robbery chief who had learned how to be a detective by watching dubbed Columbo episodes; a forensics man who wore top hat and tails on the job; and a driver so inept he was known only by a Hungarian word that translates to Mound of Ass-Head. BALLAD OF THE WHISKEY ROBBER is the completely bizarre and hysterical story of the crime spree that made a nobody into a somebody, and told a forlorn nation that sometimes the brightest stars come from the blackest holes. Like The Professor and the Madman and The Orchid Thief, Julian Rubinsteins bizarre crime story is so odd and so wicked that it is completely irresistible.
