

## Capture Me (A Twist Me Trilogy Spin-Off) (Volume 1)

A new dark romance series from the New York Times bestselling author of Twist Me She fears him from the first moment she sees him. Yulia Tzakova is no stranger to dangerous men. She grew up with them. She survived them. But when she meets Lucas Kent, she knows the hard ex-soldier may be the most dangerous of them all. One night that's all it should be. A chance to make up for a failed assignment and get information on Kent's arms dealer boss. When his plane goes down, it should be the end. Instead, it's just the beginning. He wants her from the first moment he sees her. Lucas Kent has always liked leggy blondes, and Yulia Tzakova is as beautiful as they come. The Russian interpreter might've tried to seduce his boss, but she ends up in Lucas's bed and he has every intention of seeing her there again. Then his plane goes down, and he learns the truth. She betrayed him. Now she will pay. NOTE: Capture Me is the first book about Lucas & Yulia and has a cliffhanger-ish ending. It's a long novella/short novel of approximately 45,000 words (about 200 pages) and is a spin-off from the Twist Me trilogy. It's not necessary to have read that trilogy to enjoy Capture Me, but the book does contain major spoilers for books 2 and 3 of Twist Me.
