

The Secret Matchmaker: Alpha Billionaire Romance: (The Secret Matchmaker Series Boxed Set)

Guys like us don't do love. My best friend and I never fell for anyone and I wasn't thinking about settling down before the accident. When Geoff suddenly died in a car crash, things changed. Actually, everything changed. Being the only one at his funeral was a wakeup call: I didn't want to end up like him. I needed to find the right one. The perfect woman to share my life with. So I did the unthinkable: I hired an elite matchmaking agency. There's just one problem. My matchmaker is smart, competent and extremely hot, and she was my one night stand last night.
