

## Pretending Hes Mine

What happens when the lines between make-believe and matters of the heart begin to blur?

Reeve Larkin needs a job. Sure, the actor is talented and gorgeous in that dreamy, broody sort of way that makes all the women swoon. But he lost out on a part in a big movie, and now his day job hours have been slashed too. What's a handsome young thing in need of a role to do? Sign up to be the fake fianc  of the sexy and shrewd casting director Sutton Brenner, who must appear temporarily attached if she's to land a coveted gig casting a red-hot film. So Sutton strikes a pact with Reeve to play the role of her fiance until she closes the deal. The trouble is - she's sexy-as-hell and damn near irresistible to him. And he's not only a great guy, he makes her feel amazing in every single way. It doesn't take long for their pretend love affair to heat up, especially after that toe-curling night in the balcony of the Broadway theater. And that scorching afternoon in the stacks of the New York Public Library. A red-hot love affair. An intense connection. But can two people working in the world of acting fake it til they make it? *Pretending Hes Mine* is a novella in the New York Times and USA Today bestselling *Caught Up In Love* series, that includes *Caught Up in Us*, *Playing With Her Heart* and *Trophy Husband*. (While each book can be read as a standalone, you'll likely enjoy the other books too.)
