

The 8 Unthinkable Horrors of Human Existence: The 8 Theological Horrors

This book is a synthesis and update of five of my previous books. The 12 Unthinkable Horrors of Human Existence The Statistical Theory of Everything The Illusion of Free Will Damnation by Probability (DBP) Probulism Itâ€™s well over 300 pages and includes the four key I. M. Probulos memes: 1. Eight (theological) Unthinkable Horrors (8UH) [read the Look Inside feature if you want to see the list in the Table of Contents] 2. The Statistical Theory of Everything (STOE), a meme to replace â€œeverything happens for a reasonâ€• or â€œGod did it.â€• 3. Damnation by Probability (DBP, my argument against religious exclusivism). 4. Probulism: a religion or belief system based reason, science, statistics, and probability. Whether you are new to the freethought movement or have read dozens of books, you wonâ€™t find these concepts expressed with the same clarity and detail anywhere else. The concepts are referenced numerous times by many other authors, but in this book we have given them very specific names. Remember that a Kindle book can be read on any device including I-Pad, I-phone, Tablets, PCs, and Macintosh computers. If you enjoy this book please leave a comment on Amazon.
