

The Zohar: Pritzker Edition, Volume Nine

Sefer ha-Zohar (The Book of Radiance) has amazed readers ever since it emerged in medieval Spain over seven hundred years ago. Written in lyrical Aramaic, this masterpiece of Kabbalah exceeds the dimensions of a normal book; it is virtually a body of mystical literature, comprising over twenty sections. The bulk of the Zohar consists of mystical interpretation of the Torah, from Genesis through Deuteronomy. The ninth volume of The Zohar: Pritzker Edition completes this running commentary on the Torah. Rabbi Shimon and his Companions explore passages from the middle of the book of Numbers through the end of Deuteronomy. Among the remarkable sections is Rav Metivta, an account of a visionary journey by Rabbi Shimon and some of the Companions to the Garden of Eden, where they discover secrets of the afterlife. Later in the volume appears the story of the Yanuqa (Child) – a wunderkind-and-enfant-terrible who amazes and teases, challenges and stumps the rabbis. Near the very end of the Zohar on the Torah comes the remarkable section known as Idra Zuta (The Small Assembly). This dramatic narrative describes the last gathering of Rabbi Shimon and the Companions before his death. Here the master reveals profound mysteries of divine being, and then departs from this world to unite ecstatically with the Divine Feminine, Shekhinah. Before departing, Rabbi Shimon invites all of the Companions to his wedding celebration above.
