Mist Warrior Branan has one chance to reclaim what was stolen from him, his title, inheritance and his legacy. But he is not prepared for what greets him when he returns to England. The home of Branans foster family has been burned to the ground. Demon Laird Captured and tortured by the English during Longshankss war against the Scots, Ronan MacGrigor finds the strength to escape, only to suffer the fear and rejection of his own clan. Forced to stalk the shadows at night, Ronan becomes a prisoner of illness, fear, and memories. The villagers whisper of a curseâ€”the Demon Laird made a deal with the devilâ€”now the devil demands his due. Shadowed Hawk Aidan MacGrigor is the Hawk. In the midst of Longshankss war against the Bruce, intrigue is Aidans currency - and he is a wealthy man. His birds softly sing their songs of information, and Aidan uses them to strengthen Clan MacGrigor. Though his life is one of solitude, he has come to savor the freedom it affords him, even if it means sacrificing the joy of having a

wife and family of his own. He is resigned to his lot in life ... until fate sends a bruised and battered sparrow his way and his instinct to love and protect takes over ... Highlanders Hope Connell and Mairi have left the safety of MacGrigor Castle, hoping to reach Edinburgh, vanish into the busy city, and elude the Scottish and English mercenaries hunting them and their infant ward, the bastard son of the newly crowned King Edward II, and a pawn in the war for control of Scotland's future. With his family dead, Connell has nothing left to lose. He willingly puts his life on the line for Mairi and wee Adam, but he cannot give Mairi what she wants more than anything: his heart. Holding himself apart from everyone, his grief and guilt threaten to defeat him faster than any mercenary blade, for at his side is a constant reminder of everything he has lost.
