

Mere Christianity

In the classic *Mere Christianity*, C.S. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis's legendary broadcast talks during World War Two from his three previous books *The Case for Christianity*, *Christian Behavior*, and *Beyond Personality*, *Mere Christianity* provides an unequalled opportunity for believers and nonbelievers alike to hear this powerful apologetic for the Christian faith.
