

Mid-Life Divorce and the Rebirth of Commitment

Mid-Life Divorce and the Rebirth of Commitment - Advice from the Attorney at Love is a book that takes a hard but often humorous look at marriage, divorce and post-divorce dating. The book is especially useful to people who have been struggling with issues within their marriage, and who have become nearly paralyzed with indecision about whether they should stay or go. Divorce lawyer and mediator Jim Duzak (the Attorney at Love) offers a fresh and real-world perspective on the major issues that can plague even good marriages, including poor communication, arguments over money, in-law problems, sexual performance issues, and fantasies about having affairs. On these and other issues, he offers practical, step-by-step advice on how to nip problems in the bud, and thus prevent minor irritations from becoming divorceable offenses. Above all else, he urges readers to make a commitment to themselves, so that, whatever happens, they can live an authentic and satisfying life.
