

Veni (The Bacchus Trilogy Book 1)

Erotic sex and high octane science fiction adventure on a distant planet. Caethes is an escaped slave, hiding out in the city, eating what she can steal, sleeping where she falls, and Feasting with whoever is nearby. Once a day, everyone in the city is overcome by the Feasting, falling into one another's arms, kissing, massaging, and everything else that follows. It's an orgiastic party involving the whole population. Can Caethes evade the police? Can she find a safe haven, or will she be thrown back into the arms of her dominating master? Alexis Shore can truly write a smoking hot sex scene. The Romance Reviews. Contains mature and graphic content.
