

The Sparrow: A Novel (Ballantine Readers Circle)

A visionary work that combines speculative fiction with deep philosophical inquiry, *The Sparrow* tells the story of a charismatic Jesuit priest and linguist, Emilio Sandoz, who leads a scientific mission entrusted with a profound task: to make first contact with intelligent extraterrestrial life. The mission begins in faith, hope, and beauty, but a series of small misunderstandings brings it to a catastrophic end. "Praise for *The Sparrow* — "A startling, engrossing, and moral work of fiction." — *The New York Times Book Review* "Important novels leave deep cracks in our beliefs, our prejudices, and our blinders. *The Sparrow* is one of them." — *Entertainment Weekly* "Powerful ... *The Sparrow* tackles a difficult subject with grace and intelligence." — *San Francisco Chronicle* "Provocative, challenging ... recalls both Arthur C. Clarke and H. G. Wells, with a dash of Ray Bradbury for good measure." — *The Dallas Morning News* "[Mary Doria] Russell shows herself to be a skillful storyteller who subtly and expertly builds suspense." — *USA Today*
