

The Muslimah Speaks: Her Voice, Her Spirit: Collected Poetry Written By Muslim Women (She Speaks) (Volume 1)

The Muslimah Speaks: Her Voice, Her Spirit Volume I is an anthology collection featuring original poetry by Muslim women writers and accentuated by excerpts of the hadith of the Prophet Muhammad (PBUH) and scriptures of the Holy Quran and Holy Bible. Too often than not, it is instilled in women from a very young age through the interactions that they have with others and by the images that they are bombarded with daily, that their voices are not as important as men's. It is our intention to highlight the voices of Muslim women while showcasing the connection between them and the faithful women of the Abrahamic scriptures and among the female companions of the Prophet Muhammad (PBUH).
