Follow in the footsteps of Saint Louis de Montfort
A childlike devotion to the Mother of God marked Louis's life from the start. At confirmation he took the name Mary. Studying with the Jesuits at Rennes, and then at the Sorbonne and Saint-Sulpice, Louis became familiar with the French school of spirituality and as he himself declared, read nearly all of the books dealing with devotion to Our Lady. Seek Christ through Mary
In the brief 16 years of his priesthood, Saint Louis de Montfort fulfilled a career of founder, missionary and prolific writer. Two years after ordination he organized the nursing and teaching congregation of the Daughters of Wisdom and in 1705 founded his missionary congregation of men, the Missionaries of the Company of Mary (Montfort Fathers). Throughout his life, Louis stressed that a tender devotion to Mary is the greatest secret of achieving union with Christ. It is Mary, Louis emphasized, who

intercedes on our behalf when we pray, for just as Jesus passed through Mary in his Incarnation, all graces and Gods gifts pass through her hands. Enjoy your time with Saint Louis de Montfort as you journey with one of the most engaging spiritual figures of all time.
