

The Face Behind The Veil

For years, the image of the Muslim woman in America has been shrouded in secrecy, as mysterious as the face behind the veil. In this timely and moving book, journalist Donna Gehrke-White provides a rare, revealing look into the hearts, minds, and everyday lives of Muslim women in America and opens a window on a culture as diverse as it is misunderstood. The Face Behind the Veil is an insightful chronicle of identity and faith, a celebration of women who are changing the face of America and Islam.
