

# Hadith al-Thaqalayn: The Deposed Will of the Last Prophet to Humanity

Toyib Olawuyis fourth book refuting Shaykh Ibn Taymiyyahs Minhaj al-Sunnah addresses a major cause of concern for Ibn Taymiyyah and his followers: Hadith al-Thaqalayn - the traditional comment on the authority of the Quran and the family of the Prophet (pbuh). Historically, the shaykh and his disciples have either denied the authenticity of this crucial hadith or have offered misleading explanations about its message. In Hadith al-Thaqalayn: The Deposed Will of the Last Prophet to Humanity, Olawuyi provides a thorough investigation of the various chains and versions of the hadith, and, using only the strictest Sunni rijali standards, clearly and methodically demonstrates both the authenticity and the importance of the hadith for Muslims.
