

# An Nawais Forty Hadith: Arabic-English

Imam an-Nawawi assembled his collection of forty two ahadith together with the minimum of fiqh and commentary necessary for people not to misunderstand them. with Arabic followed by Translation Imam Nawawi describes this work as follows in his introduction I, however, considered it best to bring together forty hadith more important than all of these, being forty hadith which would incorporate all of these, each hadith being one of the great precepts of religion, described by religious scholars as being the axis of Islam or the half of Islam or the third of it , or the like, and to make it a rule that these forty hadith be [classified as] sound and that the majority of them be in the Sahihs of Al-Bukhari and Muslim.
