

The Call of God

The bible says, Many are called, but few are chosen... This mini-book examines the call of god on the lives of Pastors, Preachers and lay people. Ex-Preacher also addresses the argument that people who leave the faith must never have been truly saved in the first place. With real life testimonials from other ex-church leaders and ex-Christians this book is a must read for all those who have left the faith or are questioning their beliefs!
