

## Scraps of Love: Marry for Love/Mothers Old Quilt/The Coat/Love of a Lifetime (Inspirational Romance Collection)

As long as women have been sewing, there have been boxes of scraps and recycled garments in their homes. The women of the Collins family have such a treasure box, which down through time is opened by Bridgit, who stitches her wedding dress on the Dakota prairie... Maggie, who finds healing for her broken heart in restoring a quilt... Leah, who struggles to clothe her son during World War 2... and Colleen, who reassembles her ability to trust through a scrapbook. Each will find the lessons passed down by her ancestors to be vital in building foundations for faith and love today.
