

# Growing Love (Brookfield Book 4)

\*Note: Like all stories in the Brookfield, this one can be read as a stand alone as well. However, if youd like to meet Diane and Matt before this release, check out Not Just Friends for a more detailed back story.\* Resigned to raising her baby without the father, Diane has everything figured outâ€”a substitute dad in place, a support system ready, and a new home to move intoâ€”at least until the day he knocks on her door. Matt tried to let Diane go, tried to forget that she was carrying his child, but an ultrasound picture brings his walls tumbling down. He canâ€™t stay away any longer. But he hasnâ€™t always been perfect. Diane and he share a past full of deceit and lies and now they have only nine months to undo it all and become responsible adults. Itâ€™s not only about them anymore. With complications in her pregnancy, Diane is forced to move back to Brookfield to be under the care of her family. All she has to do is keep her feelings for Matt in check and she can stick to her original planâ€”raise the baby with Tom. But it seems Matt has a few choice words about thatâ€”
