Discover How To Create Your Very Own Best-Selling Information Product In Record Time... By Interviewing Experts

Dear Fellow Internet Marketer, You might already know that THE best way to make money online is by creating and selling your own information product. Being an affiliate is great, but the REAL money comes when you create and sell your own product. Doing it however can be an entirely different matter! Have you ever sat at a blank Microsoft Word screen and felt downright depressed? Yep - me too. You know creating an info product is where the more is, but a lack of ideas/time/skill is holding you back. Creating an information product can be difficult, especially if you want it to offer value. I used to think this too... that is until I started creating interview products. The simple truth is that you can create an interview product in double quick time and then turn around and do whatever you want with it. Im a huge fan of interview products because they are fast and easy to create. You can also literally tap into somebody else expertise and add credibility to what you create in an instant. I decided to write Interview Profits to show you how to do it. I truly believe that interviews can solve all of your product creation headaches.... Inside I will show you step-by-step how to create your own best-selling interview product. Here are just SOME of the things you will learn inside this amazing report: €œWhy creating your own info products is the key to success online.

â€¢How to persuade almost anyone you choose to be interviewed (I'll show you the simple tactics which virtually guarantee that people will say YES).
â€¢Preparing your questions and how to find out what people REALLY want to know so that you can give it to them.
â€¢How to make sure your interview is a success!
â€¢How to add real value to your product and have your customers raving about it.
â€¢Simple traffic generation methods you can use to drive people to your product ... and much, much more!
Yes! I want to learn how to create my very own information product and finally discover how to make money online!
P.S. Creating your own information products really is the key to making money online - and interview products are the quickest and easiest way to do it.
