From New York Times Bestselling Author Lorhainne Eckhart comes *The Friessens: A New Beginning* a collection in this big family romance series, which includes *The Deadline*, *The Price To Love*, *A Different Kind of Love*, and *A Vow of Love* --â€œAuthor Lorhainne Eckhart is adept at showing deeply felt emotions through actions, instead of just telling us. ~ Reviewed by Natasha Jackson, Readers Favorite --â€œA wonderful love story not only about an unconditional love between a man and woman, but an unconditional heart -filled love for a special child.â€• ~ S. George --I absolutely love this author. I have read the complete outsider series and search for the continuing saga because I am addicted. ~ Katzbut --â€œMy heart ached for Neil and Candy is this book.â€• Reviewer Amanda In *THE DEADLINE*, Andy Friessen has packed up everything and moved his family two states away, to Montana, to protect his wife, Laura, his newborn babies, and his stepson, Gabriel, from the threats of his mother. What Andy doesn't know is that they'll soon face a new threat, one he never saw coming. Gabriel is sick, and a trip to the doctor confirms Laura and Andy's worst nightmare: Without a lifesaving transplant, their son won't survive. What Andy doesn't count on, as he tracks down the young man who fathered Gabriel, as well as Laura's estranged parents, is that a whole host of problems are about to be unleashed. In *THE PRICE TO LOVE*â€œI knew my husband wanted a baby, but I couldn't

give him one. When Neil paid for a surrogate and moved her into our home, he told me not to worry, but I couldn't help but notice that she recognized the strong, sexy alpha male inside him, and I suddenly felt as if I was on the outside looking in. Then, one day, I met Cat, the young girl who stole my heart. I saw something in Cat that I couldn't turn away from: a damaged, scarred soul filled with the kind of despair and hopelessness that should never have been in the innocent eyes of a child. Cat needed me—my voice, my hugs, and my love—and she captured my heart. However, neither Neil nor his family understood my need to help her. I found myself alone, and I knew I was the only one who could save Cat before it was too late. A Different Kind of Love brings back the couple that started it all: Brad and Emily. You fell in love with them in *The Forgotten Child*. Now, years later, they face an entirely new set of challenges with their preteen autistic boy when his mother, Crystal, returns. She wants a relationship with the boy she abandoned—something Brad and Emily never expected. She says she's changed, but can the Friessens believe her? A Vow of Love, A Friessen Family Christmas Sometimes families need a helping hand! Holidays are about family, love, and giving, but this Christmas, the Friessens are in for a rough holiday season. Thirteen days before Christmas, a letter arrives that Candy Friessen was never meant to see. When she opens it, she discovers a lie that rocks her world, and she begins to question everything she and Neil have created together, including his love for her and their family.

Seven days before Christmas, her heart breaking, Candy considers leaving her husband for good, and she begins making plans until a call one night alerts all the Friessens that Becky, their mother, is in the hospital, fighting for her life. Without a second thought, the entire Friessen clan is on a plane to her bedside. Faced with uncertainty, Brad, Neil, Jed, and their wives are together for Christmas, but there's no happy celebration, no gifts piled under the tree. For Candy and Neil, once trust is destroyed, can their family bond be strong enough to save their marriage? If you enjoy THE FRIESSENS: A NEW BEGINNING, you may also enjoy, THE WILDE BROTHERS.
