

## Some Like It Temporary (A Temporary Engagement)

In the upper boardrooms of the business world, the men are wealthy and larger-than-life, and the women... have to deal with them. These men don't have time for love, but when business turns into something else, they'll have to work harder than they've ever had to before. Because smart women know: when a man can have anything he wants, it's always temporary. Some Like It Charming Ethan Howell O'Connor, the most charming man in the world vs. Mackenzie Wyatt, the woman who says what she thinks and never panders to authority. Ding. Some Like It Ruthless Cole Montgomery and Margaret Caldwell are good friends turned bitter rivals. Two hard people who will never bend, never yield... but they must be able to make a deal. Some Like It Perfect Delia Woodson has nothing; Jack Cabot wants for nothing. A woman who has never known what the right thing is; a man who has never done anything but. They are simply perfect together. Some Like It Hopeless Brady Roberts exists day to day until he tangles with a woman who just won't let him. Cassandra Spencer knows that life is meant to be lived no matter how hopeless it is. Because sometimes, hopeless isn't the end.
