

She Comes First: The Thinking Mans Guide to Pleasuring a Woman (Kerner)

“Every man’s must-read. Tell your guy to put down the remote and pick up *She Comes First*.” *Cosmopolitan* Ian Kerner offers a radical new philosophy for pleasuring women in *She Comes First*—an essential guidebook to oral sex from the author of *Be Honest*—“You’re Not That Into Him Either.” The *New York Times* praises Kerner’s “cool sense of humor and an obsessive desire to inform,” as he “encourages men through an act that many find mystifying.” An indispensable aid to a healthier, more fulfilling sex life for her and him, *She Comes First* offers techniques and philosophy that have already earned raves from the likes of bestselling author and *Loveline* co-host Dr. Drew Pinsky as well as *Playgirl* magazine, which cheers, “Hallelujah!”
