

The Prophet Muhammad Storybook-1: Islamic Childrens Books on the Quran, the Hadith and the Prophet Muhammad

The Prophet Muhammad Storybook takes you back to the early days of Makkah, to a period long before the birth of the Prophet Muhammad . It relates fascinating stories about the Kabah and how the pilgrimage to it and trade with far-off lands such as Yemen, Syria, Iraq, Persia were organized along the silk route by the Prophet's great grandfather. Everything is covered from the re-digging of the Zamzam well to the year of elephants, to the birth of the Prophet Muhammad , and then on to his childhood in the desert and his early life in Makkah. The Prophet Muhammad Storybook, meant for 7 year olds and above, encourages children to discover for themselves the message of the life of the Prophet and to find their own ways of applying the Prophet's timeless teachings to their lives. With its colourful, child-friendly illustrations, this book is perfect for reading to your children or grandchildren, and is excellent for use at home or at school.
