Revelation comes to life in this adrenaline-fueled Christian thriller weaved with End Times prophecy. A heart-wrenching story of a young girl set during the Tribulation, SCARS chronicles the beginning of the End of the World, as earth-shattering events lead up to the Apocalypse as foretold in the Bible. SCARS reveals many possible answers to questions such as, Who is the Antichrist? The False Prophet? The name that equates to 666 in both Greek and Hebrew? and What are the Mark of the Beast and the image of the beast? Other prophecies include how the antichrist will be revealed, the Lie, who will be deceived by the antichrist, the ten-horned kingdoms of the beast, the 144,000, the Two Witnesses, and the Peace Treaty. SCARS is shocking and eye-opening but essential reading in a world of confusing theories. There is no other end-times fiction book like this.
