

Leading and Managing a Differentiated Classroom (Professional Development)

While most books on classroom management focus on keeping kids in their seats and giving good directions, here at last is a breakthrough guide that explains how to lead a class that is differentiated to individual students needs. The top authority on differentiated instruction, Carol Ann Tomlinson, teams up with educator and consultant Marcia B. Imbeau to outfit you with everything you need to deal with time, space, materials, groups, and strategies in ways that balance content requirements with multiple pathways for learning. Step-by-step guidelines, checklists, and a Teacher s Toolkit with ready-made classroom activities ensure that you master the nuts and bolts of managing a student-centered classroom.
