

# Feisty After 45: The Best Blogs from Midlife Women

These humorous and inspirational blog posts from 45 of the best midlife bloggers offer proof that tumbling over the far side of 45 is worth the journey. This anthology includes the true story of the middle-aged woman who attempted to give her husband a lap dance in the kitchen but the result was anything but steamy. Another writer describes how you're allowed to teach your grandchild descriptive words such as "cedingleberry" and "fartcake" without an ounce of guilt. Other bloggers offers poignant stories about aging, caregiving, and how to celebrate Mother's Day after the children are grown and live far away. These feisty females will encourage you to keep your chins up and your reading glasses handy!
