

# The Renegade Leader: 9 Success Strategies Driven Leaders Use To Ignite People, Performance & Profits

If you are like most leaders, you're looking for a solution to the day-to-day management issues that plague your organization problems like poor communication; interpersonal conflicts; and lack of engagement, accountability and teamwork. These problems take up valuable time you could be using to achieve the vision you have for yourself and your organization. The goal of The Renegade Leader 9 Success Strategies Driven Leaders Use to Ignite People, Performance and Profits is to help you break through barriers to performance by implementing success strategies that will unleash the unrealized potential of your people, your organization and your own leadership abilities. As a result, you will achieve a high performing culture that rallies around shared values and goals and works together to impact your bottom line and more fun and freedom for yourself. Using a combination of strategies, case studies, antidotes, and the business fable of CEO Jim Saunders, you will be entertained with Jim's internal dialogue, thinking process and struggle to work with the people around him. In addition the book offers bonus resources, an accompanying Leaders Guide as well as online video training series.
