

# Get Out of Your Way: Unlocking the Power of Your Mind to Get What You Want

You already have what you need for success! Discover what you really want and how the universal laws will assist you in obtaining it. Layton Park has simplified the self-hypnosis process by identifying the universal laws of mind-laws that affect everyone whether or not we are aware of them-and applying them through questions and simple techniques that anyone can learn. Following his guided self-hypnosis techniques on this original CD, you will learn to unblock your subconscious mind to program yourself for continued success. All you need to do is relax and listen. With accompanying CD, its simpler than ever to learn how to get everything you want!
