

Wagging Tails in Heaven: The Gift Of Our Pets Everlasting Love

The Truth About Cats And Dogs And Their Existence In Heaven. .

. Will our departed pets greet us on the other side? Are their spirits watching and protecting us right now? Will they be happy? If youve ever loved and lost a pet, you understand the power of a truly special bond. Animal or human, we are all Gods creatures-and the love we share must surely be eternal. In this enlightening book, author Gary Kurz offers surprising and comforting evidence of an animal afterlife. Youll discover what the Bible says about the souls of animals; how pet angels devote themselves to humanity; what your dog or cat might look like in heaven; and what to expect when youre reunited on a spiritual plane. Youll also hear amazing firsthand accounts of ghost pet visitations, animal communications from beyond, and heartwarming tales of heroism, loyalty, and everlasting love. Deeply moving and truly inspiring, Kurzs book goes beyond his acclaimed Cold Noses at the Pearly Gates-proving once and for all that the pets we cherish will stay with us throughout eternity. . . For those of us who love our pets so passionately, Gary Kurz thoughtfully and thoroughly gives hope that death is not the end for our furry, scaled, and feathered friends.
