

A Treasury of Hadith: A Commentary on Nawawi's Selection of Prophetic Traditions (Treasury in Islamic Thought and Civilization)

Imam Nawawi's collection of forty-two hadith brings together some of the most important and pivotal Prophetic traditions. Each tradition encapsulates a great rule of the religion of Islam, described by Islamic religious scholars as an axis in Islam. The commentary of the great hadith master Shaykh al-Islam Ibn Daqiq al-Id is simple but erudite. Mokrane Guezzou is a well-known translator of over ten works including the Quran commentary *Wahidis Asbab al-Nuzul*. Ibn Daqiq al-Id (d. 1302) is accounted as one of Islam's great scholars in the fundamentals of Islamic law and belief. Imam Nawawi (1233-77) was an authority on hadith and a biographer, lexicologist, and Sufi.
