

# Summer Kisses (A Harmony Valley Novel)

Her carefully crafted facade is unraveling—fast! Rebecca MacKenzies career as a caregiver for the elderly suited her perfectly. Ease their suffering, hop back in the motor home and move on. Caring without commitment. It was ideal for someone trying to outrun her memories—and mistakes. Someone determined to stay detached. Flynn Harris, her new patients grandson, is weakening her resolve in every way. His scrutiny, his suspicion—and worst of all, his kisses—are more than distracting. Theyre dangerous. Because shes teetering on the edge of caring. And revealing her secrets. And—staying.
