

# My Journal of Life, Travel and Family Adventures: Memoirs of life, exploring, accomplishments, and family relationships at home and across the Atlantic. And a bucket list of extreme activities.

Ideal Mothers day gift. One womans, life journal, life memoir, autobiography about family vacations, travels, action and adventure holidays, and doing the things you have always wanted to do. After losing her brother, and approaching her sixties the Author decided to go on a road trip for family adventures and fun, to explore new places and have new experiences along the way, so she made a bucket list of things she wanted to do. She embarked on an action and adventure of exploration with her grown up son travelling to Georgia and Carolina taking on extreme activities like sky diving.

This real life story also covers her home and life accomplishments in Britain, and her many family vacations to visit her son and grandchildren in Florida. Women of a certain age, there are no second chances, have fun, live life, and go on a personal journey for a life adventure.
