

# The Christ

We must get rid of that Christ, we must get rid of that Christ! So spoke one of the wisest, one of the most lovable of men, Ralph Waldo Emerson. If I had my way, said Thomas Carlyle, the world would hear a pretty stern command -- Exit Christ. Since Emerson and Carlyle spoke a revolution has taken place in the thoughts of men. The more enlightened of them are now rid of Christ. From their minds he has made his exit. To quote the words of Prof. Goldwin Smith, The mighty and supreme Jesus, who was to transfigure all humanity by his divine wit and grace -- this Jesus has flown. The supernatural Christ of the New Testament, the god of orthodox Christianity, is dead. But priestcraft lives and conjures up the ghost of this dead god to frighten and enslave the masses of mankind. The name of Christ has caused more persecutions, wars, and miseries than any other name has caused. The darkest wrongs are still inspired by it. The wails of anguish that went up from Kishenev, Odessa, and Bialystok still vibrate in our ears. Two notable works controverting the divinity of Christ appeared in the last century, the *Leben Jesu* of Strauss, and the *Vie de Jesus* of Renan. Strauss in his work, one of the masterpieces of Freethought literature, endeavors to prove, and proves to the satisfaction of a majority of his readers, that Jesus Christ is a historical myth. This work possesses permanent value, but it was written for the scholar and that for the general reader. In the German and Latin versions, and in the admirable English

translation of Marian Evans (George Eliot), the citations from the Gospels -- and they are many -- are in Greek. Renan's *Life of Jesus*, written in Palestine, has had, especially in its abridged form, an immense circulation, and has been a potent factor in the dethronement of Christ. It is a charming book and displays great learning. But it is a romance, not a biography. The Jesus of Renan, like the Satan of Milton, while suggested by the Bible, is a modern creation. The warp is to be found in the Four Gospels, but the woof was spun in the brain of the brilliant Frenchman. This volume on *The Christ* was written by one who recognizes in the Jesus of Strauss and Renan a transitional step, but not the ultimate step, between orthodox Christianity and radical Freethought. By *The Christ* is understood the Jesus of the New Testament. The Jesus of the New Testament is the Christ of Christianity. The Jesus of the New Testament is a supernatural being. He is, like the Christ, a myth. He is the Christ myth. Originally the word Christ, the Greek for the Jewish Messiah, the anointed, meant the office or title of a person, while Jesus was the name of the person on whom his followers had bestowed this title. Gradually the title took the place of the name, so that Jesus, Jesus Christ, and Christ became interchangeable terms -- synonyms. Such they are to the Christian world, and such, by the law of common usage, they are to the secular world.
