

# From Homosexuality to Christ: The Freedom from Being Gay

Defining Life in Him, through Him, and because of Him! Have you been in denial about your lifestyle? If so, its time to come clean and get real! In From Homosexuality to Christ, the author shares his personal struggles with homosexuality and how he reconciled his lifestyle with the churchs teachings. I never felt like it was wrong because as far as I can remember it felt normal and right-until I met Jesus Christ. The Lord showed me through His Word that homosexuality was just sin like any other sin. He also showed me that I could change through the help of God. I learned that God loves me no matter what. God loves mankind and created all in the likeness of His own image. Lets stop destroying-through bias, judgment, and criticism- what He has created, and experience the profound love God has for us all.
