

## 20 Compelling Evidences That God Exists: Discover Why Believing in God Makes So Much Sense

Is it Reasonable to Believe? Remarkably, even though millions upon millions of us do believe in God, when we are asked why we have such faith, we become tongue-tied and struggle to give a reason for our hope. No wonder those who don't believe God exists remain unconvinced—there's too few of us ready to speak on God's behalf! Ken Boa and Robert Bowman have provided a resource that tackles the most profound arguments from philosophy, science, sociology, psychology, and history ... and presents twenty clear, concise, and compelling evidences that show that faith in God—and specifically Jesus Christ—is reasonable. --Kenneth Boa is engaged in a ministry of relational evangelism and discipleship, teaching, writing, and speaking. He holds a B.S. from Case Institute of Technology, a Th.M. from Dallas Theological Seminary, a Ph.D. from New York University, and a D.Phil. from the University of Oxford in England. Dr. Boa is the President of Reflections Ministries, an organization that seeks to provide safe places for people to consider the claims of Christ and to help them mature and bear fruit in their relationship with Him. He is also President of Trinity House Publishers, a publishing company that is dedicated to the creation of tools that will help people manifest eternal values in a temporal arena by drawing them to intimacy with God and a better understanding of the culture in which they live. Recent

publications by Dr. Boa include Faith Has its Reasons, Conformed to His Image, An Unchanging Faith in a Changing World; Face to Face; Pursuing Wisdom; The Art of Living Well; Wisdom at Work, Living what You Believe, and Sacred Readings. He is a contributing editor to The Open Bible, the Promise Keepers Mens Study Bible, The Leadership Bible, the consulting editor of the Zondervan NASB Study Bible, and the Editor-in-Chief of The Life Promises Bible.
