

## Call Me Tuesday: Based on a True Story

At eight years old, Tuesday Storms childhood is forever lost when the death of her older sister Audrey sends her family spiraling out of control into the darkest of dysfunction. In the wake of the tragedy, Tuesdays mother, distraught and looking for a scapegoat, singles Tuesday out from her siblings to take on the blame for Audreys death, and then targets her for unspeakable abuse. Almost overnight, the loving environment Tuesday has come to know, becomes an endless nightmare of twisted games and sadistic punishments as shes forced to confront the cruelty lurking behind the beautiful face of the mother she idolizes. Based on a true story, Call Me Tuesday recounts with raw emotion a young girls physical and mental torment at the mercy of the monster in her mothers clothesâ€•a monster she doesnt know how to stop loving. Tuesdays painful journey through the hidden horrors of child abuse will open your eyes to what could be going on behind your neighbors door, while her unshakeable love for her parents will tug at your heartstrings.
