

Hard As Steel: A Hard Ink/Raven Riders Crossover (1001 Dark Nights)

After identifying her employers dangerous enemies, Jessica Jakes takes refuge at the compound of the Raven Riders Motorcycle Club. Fellow Hard Ink tattooist and Raven leader Ike Young promises to keep Jess safe for as long as it takes, which would be perfect if his close, personal, round-the-clock protection didnt make it so hard to hide just how much she wants him--and always has. Ike Young loved and lost a woman in trouble once before. The last thing he needs is alone time with the sexiest and feistiest woman hes ever known, one hes purposely kept at a distance for years. Now, Ikes not sure he can keep his hands or his heart to himself--or that he even wants to anymore. And that means he has to do whatever it takes to hold on to Jess forever.
