

Ashwood Falls Volume One (Books 0.5-2)

Winter Eve, prequel Danica Welsh was born to be the leopard pack healer. An accident involving a drug induced youth left her badly burned and scared—emotionally and physically. All hope of mating and family become a distant dream. When she finally starts to accept the long, lonely existence ahead of her, a stranger crashes into her life, and her heart. A Tiger’s Claim, book 1 As the Alpha’s only daughter Shayna Andrews has always been treated like a rare gem, protected like royalty, and she’s suffocating.

Her longing to be independent has driven her to sneak out one evening after dinner. After relishing in being able to run free without an escort, she finds herself face-to-face with the enemy, miles from home, and nearly loses her life until a lone wolf comes to her aid. But when he discovers she wears the enemy’s brand, things will go from bad to worse. A Mating Dance, book 2 Senior enforcer, Cameron Nickels has found her perfect mate. Blaine Andrews, leopard Pack Marshal, is strong, dominate, loyal, and passionate. He knows all her strengths and weaknesses—not to mention her pleasure points. Cam’s known Blaine most her life, but she’s always felt like something was missing and her jaguar refuses to fully accept him. Yet, she can’t walk away from him. When architect and sexy mountain lion shifter, Graham Griffin, comes to town to design the new den nursery and school, Cameron finds herself in a mating dance that throws her and her

jaguar into flight mode while Blaine must decide if he cannot only share his mate, but welcome another.
