

Season of Change (A Harmony Valley Novel)

Reading Slade and Christine's story reminded me of why I enjoy romance. SEASON OF CHANGE (book 3) has found a place on my keeper shelf! Brenda Novak's A Harmony Valley...not so harmonious after all! Christine Alexander needs to prove herself as a top-notch winemaker, and in Harmony Valley she's got a chance to build something legitimate, quality and lasting. What she doesn't need is part-owner Slade Jennings poking his nose in her cabernet. Brooding, buttoned-up Slade Jennings won't be making things easy for his new hire. Someone has to worry about the bottom line. Forced into an uneasy partnership, the pair faces two challenges: create a spectacular award-winning vintage within months...and figure out if their tenuous friendship can grow into something deeper and lasting.
