

Facing the Music And Living To Talk About It

This book is Nick Carter's™ autobiography and self-help hybrid in which he chronicles his struggles with a dysfunctional family and the unimaginable rigors of becoming an internationally successful pop-star at the age of 12. From his battle with addiction to serious health complications and the pain of his younger sister's™ tragic death, Nick leaves nothing to the imagination and offers true and heartfelt advice to help readers overcome obstacles in their own lives.
