Freak: a Semi-Demi-Quasi-Pseudo Autobiography is John Leguizamo's hilarious coming-of-age story. Set in various neighborhoods of Queens, New York, in the eras of disco and break-dancing, Freak recounts the turmoil and eccentricities within a Latino family struggling to make it. A domineering father, frustrated by his rocky quest for the American dream; a mother who finds feminism and the club scene when she tires of Pops tight control; a pudgy, eager-to-please, easily manipulated younger brother; and John - who doesn't spare himself in telling the gory details of his teen years. Freak is the book adaptation of Leguizamo's comical and critically acclaimed one-man Broadway show. But Freak, the book, contains narrative that had to be cut from the show because of time restraints.
