

Reborn: The Serendipitous Curse, Book One

The Serendipitous Curse: Reborn is seriously cool, and another winner for Aiden James! This time he teams up with the talented Lisa Collicutt--and what a fantastic team it is! ~J.R. Rain, Bestselling author of Moon River and Silent Echo In the heart of Savannah Georgia, lies Solomon Brandt Plantation, a spanking piece of suburban sprawl with a sordid past. When an amnesiac bearing this cursed name stumbles into town, he's immediately drawn to the haunted antebellum, and also to a Hoodoo practitioner who converses with spirits, and her gorgeous green-eyed niece. Desiree McClinton, a descendant of the Brandt slaves, sparks emotions in Solomon, the likes of which he's never known. But curses run deep, and Solomons crippling nightmares, seeping into real life, soon threaten their budding love. Will Solomon be able to save Desiree from the evil that has followed him through time? Can a tainted soul truly be redeemed?
